

## Garmin Seminar Series

Mike Young, from Garmin, will share with us, his expertise, along with tips, tricks and traps in meeting ADS-B compliance and utilizing your equipment to it's maximum capability.

**Directions:** From I-680 north bound: exit onto Burnett Avenue toward Concord Avenue. At the first light, turn left onto Diamond Boulevard, then turn right onto Concord Avenue, and left onto John Glenn Drive. Continue on John Glenn Drive to the Airport Terminal Building. It will be on the left hand side next to the control tower.

From I-680 south bound: take the exit toward Concord Avenue. Turn left onto Contra Costa Boulevard, then left onto Concord Avenue. At the second light, turn left onto John Glenn Drive and take it to the Airport Terminal Building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
